Re: Lower Darby Creek Area Superfund Site - Clearview Landfill,  
Folcroft Landfill and Folcroft Landfill Annex

Dear Ms. Prisk:

I am writing in response to your letter, received November 7, 2001, addressed to J.W. Marriott, Jr. at Marriott International, Inc. regarding the above superfund sites. It is our understanding that you are requesting information for a facility located on City Avenue in Philadelphia, Pennsylvania during the period 1974-1976. We are unable to comply with your request because Marriott International, Inc., to the best of our knowledge, has never owned a facility on City Avenue in Philadelphia, Pennsylvania. In fact, Marriott International, Inc. was not formed until 1997.

You may need to contact Host Marriott Corporation or Sodexho Marriott Services, Inc. The old Marriott Corporation was spun off into Host Marriott Corporation in 1993. The old Marriott International, Inc. became Sodexho Marriott Services, Inc. in 1998. In either case you will need to send them a specific address in order for them to conduct a title search to determine who owned the property during the time period in question.

Sincerely,

Michael K. Ross
